

Prepare for disasters!

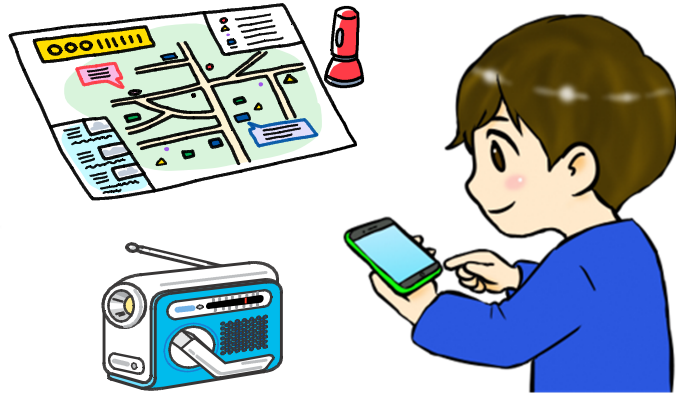

Get ready

Money, ID, clothes,
drinking water, food, etc.
(at least 3 days worth)

Gather information

Mobile phone, TV, radio,
hazard map, etc.

In the event of an earthquake

- Stay safe until the shaking stops
- Stay away from dangerous places
such as buildings that are likely to collapse
- Evacuate to high ground
as a tsunami may come

In the event of heavy rain

- Stay away from rivers and cliffs
- Wear comfortable shoes
when evacuating
- Evacuate together with everyone
